A MIRACLE SINCE 1998

FEEM exists for almost 20 years and stands for quality and fantastic results. An excellent service combined with a correct client approach create a special experience. We bring a new kind of dynamism that is totally attuned to today's wishes and needs of both retail customers as well as end-customers.

WITH CARE FOR THE ENVIRONMENT

Cleaning healthily is one of FEEM's the top priorities. We offer user-friendly cleaning products with which all imaginable cleaning tasks can be fulfilled. This makes a cupboard full of different products unnecessary. With large value packs and no additions of perfume and colouring agents to our products, we try to contribute to a cleaner environment.

SYNBIOTIC

FEEM SYNBIOTIC

WHAT IS FEEM SYNBIOTIC

FEEM Synbiotic products are based on a unique combination of Probiotics and Prebiotics with 100% natural ingredients.

PREBIOTICS

"Probiotics" are good bacteria that have a beneficial effect on human and animal health. "Prebiotics" are good short-chain sugars that are mainly used by good bacteria. These good sugars stimulate the development of a slable, diverse and above all healthy microbiome on our body and our immediate environment.
