

MEGAPRO[®] Megapro Ratchet 13-1 Multi-bit screwdriver

Don't want to drag around with a lot of tools anymore? Searching between 13 different screwdrivers and dealing with loose bits that keep getting lost? Then this Ratel 13-in-1 multi-bit screwdriver is your best friend. This screwdriver has a pull-out bit holder, so your bits are always within reach and neatly stored. Moreover, this Megapro screwdriver makes jobs a lot more comfortable thanks to patented technology that has been proven for over 25 years. The Megapro 13-in-1 Ratchet Screwdriver features a patent-pending ZAD 8 SOLID-CORE 28-tooth ratchet that delivers over 225 inch lbs of torque.

The 12 most popular bits in 1 screwdriver

The bit holder holds 6 double-sided bits neatly in place. This means you always have the 12 most popular bits at your disposal, such as a flat-head bit, a cross-head bit and various torx bits. You can easily place the bits in the strong shaft with integrated 1/4" socket wrench. A ball in the bit ensures that it stays in place.

Supplied bits

- Flathead 4.5-6.5
- Phillips 6.5-Torx 30
- Phillips 1-2
- Posi 1-2
- Phillips 3-Pozi 3
- Torx 20-25
- Shaft 1/4" Allen (Hex)

Strong and durable multi-bit screwdriver

The Ratel 13-in-1 multi-bit screwdriver is super strong and durable. For example, all bits are made of high-quality S2 steel, to last a long time. The rubberized soft grip handle makes tightening screws faster and easier. It is not for nothing that a Lifetime Warranty is given. So you have a Megapro screwdriver for life! With the right bit on the right screw, every job becomes easier. Changing bits quickly and clearly helps with this. The Ratel 13-in-1 screwdriver is very pleasant and comfortable to use. Blisters are a thing of the past thanks to the Palm-saver Cap. This way there is no friction, and therefore no blisters, when you tighten screws.

Megapro Ratchet screwdriver

Article number: 211R2C38RD-E-1

EAN: 831044002183

Compact Display (20 pieces)

Item number: 5DISP-PC20

Seize 23 x 23 cm

Material: plastic

Compact Display (12 pieces)

Item number: 5DISP-PC12

Seize 18 x 15 cm

Material: Cardboard
